

# CELESTEE

## Product sheet

MADE IN  
FRANCE

Celestee is a set of high-end headphones combining elegant design and remarkable sound performance. They incorporate the latest Focal technologies: 1<sup>5/8</sup>" (40mm) Aluminium/Magnesium 'M'-shaped dome full-range speaker drivers and acoustic treatment within the earcups to prevent resonance. Celestee headphones boast outstanding tonal balance: incredible bass extension with precise treble and high-mids to delight any music lover.

In terms of design, their earpads, headband and earcups boast a Navy Blue semi-aniline leather finish. Their Soft Copper details (speaker driver grille, cable connectors, rings, etc.) create a sophisticated look. Take them everywhere with you, thanks to their rigid carrying case, also in Navy Blue and Soft Copper colours.

### Key points
