

LISTEN PROFESSIONAL

Product Data Sheet

Listen Professional is packed with Focal expertise. For six years now, the French manufacturer's historic expertise in designing high-performance transducers has been directed at a new speciality: headphones.

Listen Professional circum-aural closed-back headphones are the fruit of this research, and are an essential tool for giving sound engineers total control over their work, whether in the studio or on a business trip. Besides their undisputable acoustic performance, they also provide maximum comfort.
