

Maverick MV3

BATTERY-POWERED BT PORTABLE SPEAKER

MV3 is a Battery-Powered BT Speaker that easily integrates any environment with a superior sound and a deep bass. With its elegant design and reduced size allows you to place it in your home as well as take it with you wherever you want, ensuring a musical reproduction of up to 20h, and even its use as a power bank. Easily create your wireless stereo system by pairing two MV3 via BT simultaneously, using TWS (True Wireless Stereo).
