True Wireless Stereo (TWS)

Battery Powered

The MV6 speaker is a 6.5" active speaker with BT and battery, with high performance, ultra-low dimensions and weight, allowing its use in a wide variety of indoor and outdoor applications with recorded or live music. With its elegant design and powerful sound, it can be used anywhere at any event, ensuring music reproduction of up to 12 hours using its battery. You can also use MV6 as a power bank. Easily create your wireless stereo system by pairing two MV6 via BT simultaneously, using TWS (True Wireless Stereo).

Let's get the party started!
