

iQ10-WB

Steel Wall Bracket for
iQ10 Loudspeakers

- Steel wall bracket for iQ10 loudspeakers
- Mounts 1 speaker horizontally or vertically to a wall
- Adjustable angle for optimum audience coverage
- Hard wearing semi matt black powder coat finish
- 3-Year Warranty Program*
- Designed and engineered in England

The iQ10-WB is a matt black, powder coated wall bracket specifically designed to hang the iQ10 in standalone applications, such as wall or ceiling mounting in bars or clubs, or as an under-balcony fill. The iQ10-WB consists of two yoke spacers and brackets, plus all the fasteners required for assembly. After the iQ10 is securely mounted and adjusted for the desired coverage, the screws attaching the enclosure to the bracket should be fully tightened to finalise the installation.

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world.

As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
